High Efficacy, DLC Listed

4000K CCT

WP2-Series LED Adjustable Wall Pack

10YEAR
WARRANTY

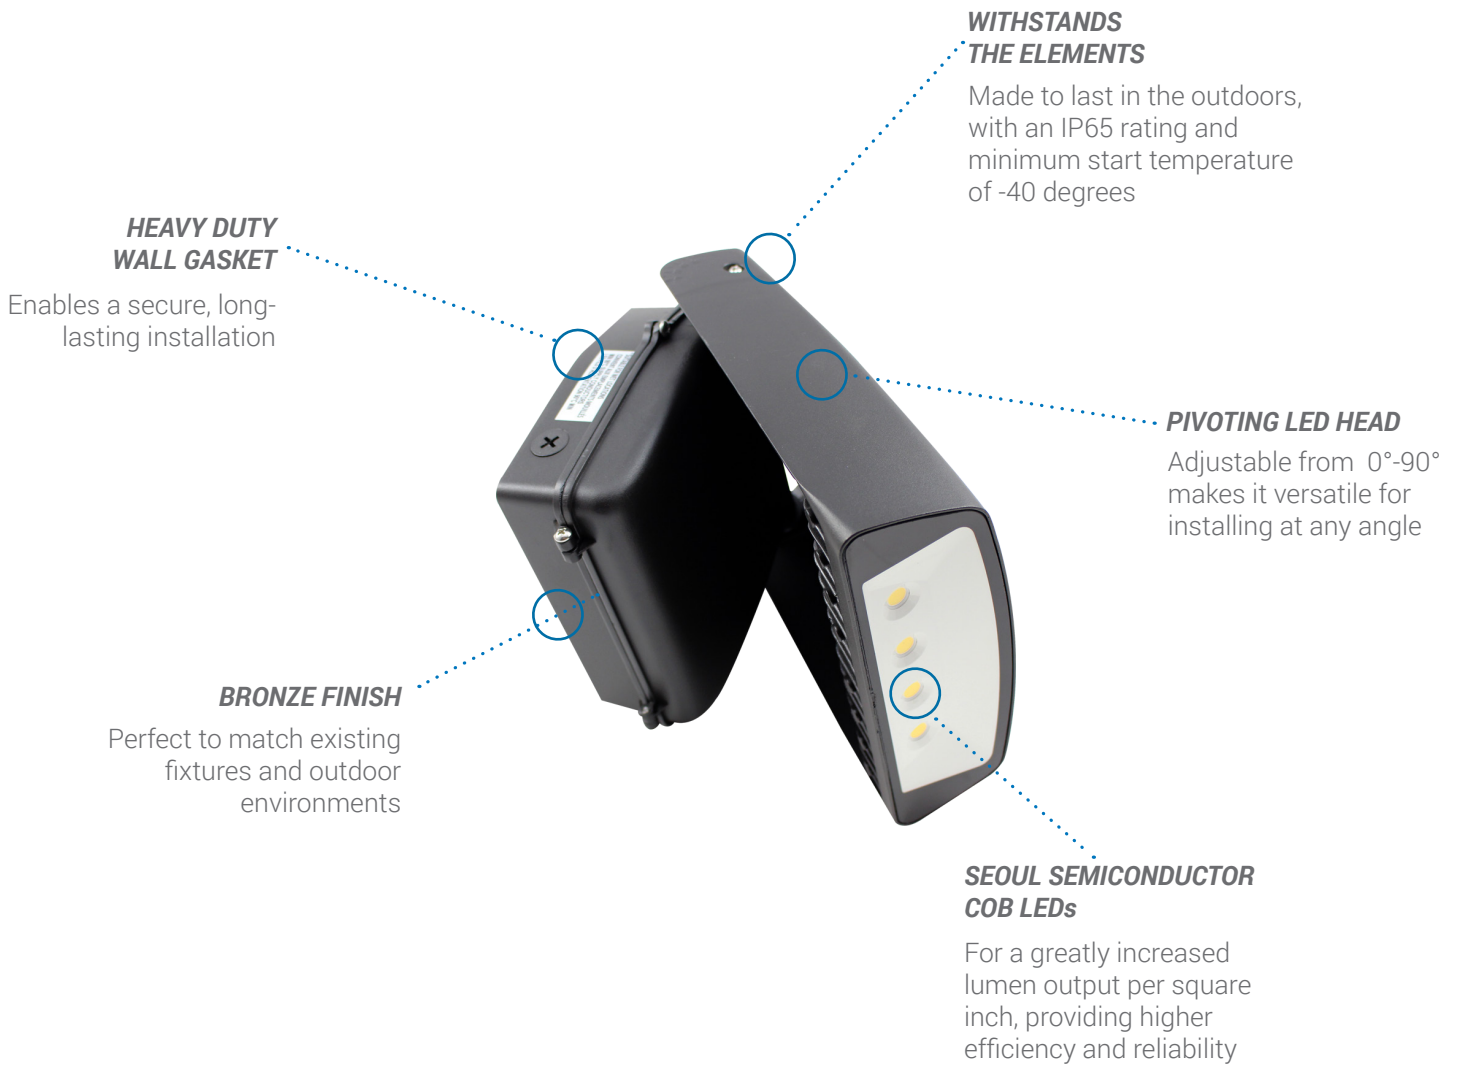

The WP2-Series Adjustable Wall Pack is a combination of exceptional value, contemporary design and flexible mounting options.

These fixtures do more than your average wall pack: they can also be used as flood lights and pole mounted lights with the ability to adjust the angle anywhere from 0° to 90°, making them suitable for almost any application.

Key Features & Benefits

- Up to 112 lumen/W
- Features a pivoting LED head that locks from 0°-90°
- Uses best-in-class Seoul Semiconductor Chip on Board (COB) LEDs for higher efficiency and reliability
- IP65 rated
- Designed to work even in -40 degree weather
- Utilizes a polycarbonate lens for durability and resistance to impact
- ≥80 CRI provides better color rendering of outdoor objects
- Backed by a worry-free 10 year warranty
